# HOME PAGE SAMPLE

- We took a minimalist approach and kept functionality simple and user friendly.

The image shows a screenshot of a website's home page. The background is a grayscale world map with country names labeled. Overlaid on the map are several text elements and a mobile device icon. In the upper left, there is a globe icon followed by the text "ABTRANET Global Solutions". Below the globe are navigation links: "Home", "About", "Services", "Contact", "Products", and "Shopping Cart". In the center-left, the text "Services that are offered" is displayed above "IT Consulting". A yellow rectangular box highlights the word "INDIA" on the map. In the lower right, a white smartphone icon displays a blue screen showing two silhouetted people shaking hands over a globe, symbolizing global connectivity or consulting services.

# LANGUAGE TRANSLATION

- With the use of Google Translate we can fulfill the accessibility of global consumers.
